MEMORANDUM

TO: Mayor Mark D. Boughton via the City Council
FROM: David W. St. Hilaire, Director of Finance *DST*
DATE: June 30, 2015
SUBJECT: Certification of Funds – Charles Ives Authority

CERTIFICATION #1

During the FY 2015-2016 Budget process, the Mayor explained that the typical budget appropriation of \$55,404 for the Charles Ives Authority was not included in the budget due to the uncertainty of its future at WCSU. Fortunately, the Mayor has been able to resolve the issues with WCSU so the Charles Ives Authority can continue to provide top quality performances throughout the summer at this beautiful venue.

As such, the City of Danbury is proposing a contract with the Charles Ives Authority for a quarterly grant payment through the operating budget as we have do so in the past. However, a request to move \$55,404 in funds from Contingency is required.

I hereby certify the availability of this appropriation from the City's Contingency account.

The status of the FY 15/16 Contingency account is as follows:

Budgeted Amount:	\$475,000
Less this request	- 55,404
Balance	\$419,596

Please feel free to contact me should you require any additional information.
